**Your coverage amount....**

It is up to you to choose the coverage and limits that meet your needs. We recommend that you purchase a coverage limit equal to the estimated replacement cost of your structure. Replacement cost estimates are available from building contractors and replacement cost appraisers, or, your agent can provide an estimate from Xactware, Inc.<sup>®</sup> using information you provide about your structure. We can accept the type of estimate you choose as long as it provides a reasonable level of detail about your structure. State Farm<sup>®</sup> does not guarantee that any estimate will be the actual future cost to rebuild your structure. Higher limits are available at higher premiums. Lower limits are also available, as long as the amount of coverage meets our underwriting requirements. We encourage you to periodically review your coverages and limits with your agent and to notify us of any changes or additions to your structure.

Colorado law requires that we provide the following information to you:

In addition to other allowable reasons for which your policy premium may have been adjusted upward or downward from your prior renewal, your premium increased due to the following:

An increase in the estimated cost of anticipated claims and expenses for State Farm's commercial multi-peril business in Colorado.

Please contact your State Farm agent if you have any questions about your policy.
